## WELL OWNER/USER CERTIFICATION:

The above information is true and correct to the best of my knowledge. I understand that the use of this WELL/PUMP is subject to the **AMENDED RULES GOVERNING THE MEASUREMENT OF TRIBUTARY GROUND WATER DIVERSIONS LOCATED IN THE ARKANSAS RIVER BASIN** and that no water may be diverted from this WELL/PUMP until it is in compliance with those RULES, except to determine a POWER CONSUMPTION COEFFICIENT or install and verify a TOTALIZING FLOW METER. I further understand that to divert water in violation of those RULES may be subject to a complaint in the WATER COURT, fines of up to \$500 per day, court costs and attorney fees as provided in 37-92-503, CRS.
